

Every Child, Every Family,
Every Step of the Way

ADOPTIONS TOGETHER

Education and Support

“*The experience was beneficial to me as a parent. It gave me an opportunity to learn “in real time” some strategies for better communicating with my child, including how to effectively help him express his emotions and deal with his frustrations.*”

Adoptions Together offers a wide range of services designed to strengthen family systems through specialized parent education, training, and support.

Why Choose Adoptions Together for Your Training Needs?

- We recognize that families are formed in many ways and that raising a healthy family requires careful preparation and ongoing support.
- We offer adoption education and parent training on a wide range of topics that address the unique needs of adoptive, blended, foster, and kinship care families.
- We strive to make parent training affordable, convenient, and easily accessible by offering in person, online, and on-demand options.

Our Services

Adoptions Together is committed to providing the guidance, education and support needed to help you create and maintain a healthy, happy family. Through a comprehensive range of services, individuals and families can enhance their knowledge, build on their strengths, and acquire the skills needed to navigate the joys and challenges of family life more effectively.

Services include:

- Adoption preparation classes
- Post-placement seminars for foster, adoptive, kinship, and guardianship families
- Specialized seminars on domestic and international adoption
- Online and on-demand adoption and parenting education courses
- Support groups for parents, children, and families
- Educational conferences for parents and families
- Summer camps for children and teens

HAGUE ACCREDITED

Our mission is to provide specialized programming, education, and training that is current and effective, in an environment that is welcoming and supportive.

🔗 General Adoption Preparation Classes

A comprehensive curriculum prepares families for the joys and challenges of adopting internationally or domestically.

🔗 Parenting Seminars and Online Education

Specialized seminars are offered to meet the unique needs of each family before, during, and after placement. Parents can choose to participate in a classroom setting or utilize our cost-effective, convenient online seminars.

🔗 Parent Training On Demand

For those unable to attend in-person classes or live web seminars, we offer a comprehensive resource library of on-demand courses that parents can access at any time, from any location.

🔗 Educational Conferences for Parents and Children

We sponsor annual family friendly events, as well as informative conferences that feature recognized experts to explore critical parenting issues.

🔗 Summer Programs

Summer enrichment camps are offered for children and teens that focus on building positive self-esteem, exploring identity, managing anger, fostering social skills, and celebrating diversity.

🔗 Support Groups

Support groups for parents, children, and teens allow participants to discuss common issues and concerns in a safe and supportive atmosphere.

Mission:

Adoptions Together builds healthy lifelong connections for every child and advocates for continuous improvement of systems that promote the well being of children.
