# ADOPTIONS TOGETHER

---

## Fall Family Day

---

*Fall Family Day is an annual event sponsored by foundations, corporations and individuals who believe that no child should be without a family. All proceeds from this event support the placement of children into their forever families.*

### **September 30, 2012**

*Fall Family Day* celebrates families who have come together through adoption. Children of all ages, from every part of the world, who once experienced life without parents come with their families to experience this event. It is a day when families meet each other, share resources, and establish relationships with other families for ongoing support. It is a time when laughter, stories and challenges are shared in an environment where families come in all varieties. Please join us.
